YOU ARE ALL WELCOME!

Our members come from all areas and bring together a wealth of knowledge and experience. They range from seasoned pond keepers to new hobbyists and their ponds range from pre-formed hard plastic with a few hundred gallons to expansive custom designed ponds with thousands of gallons. We have an annual Koi Show each September at the beautiful Meadowlark Botanical Gardens in Vienna, VA. All hobbyists are welcome and everyone learns. We look forward to meeting you at our Open House!
